1.1. HIQ Hospitality Demo Case

HIQ Hospitality Demo Case is a portable demonstration kit designed for showcasing the HIQ SRMS (Smart Room Management System) – a complete hotel room automation solution. It allows sales teams, engineers, and partners to perform live demonstrations of all smart room functionalities in a compact and professional aluminum transport case. Ideal for trade shows, client meetings, hotel presentations, and training sessions.

Purpose

- Live demonstration of the full HIQ hotel room automation ecosystem
- Showcasing seamless hardware and software integration (including SRMS license)
- Training for installers and hotel staff
- Professional sales presentations for hotels, apartments, and boutique properties
