

1. ES-W2-BK

** Temperature sensor, White housing **

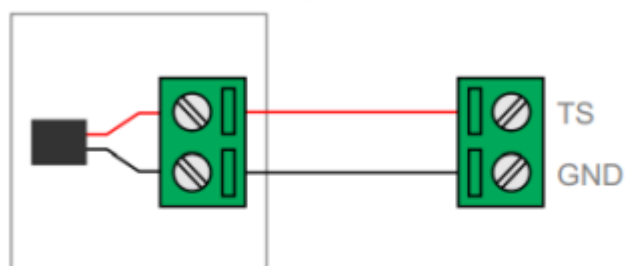

Order code:	ES-W2-BK
Housing:	plastic box, black
Dimensions:	80x80x26mm
Mounting:	wall surface

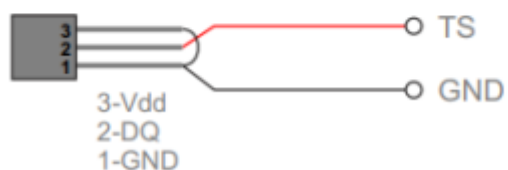

1.1. Technical specifications

Temperature measurement:	Internal
Power supply:	24V 10mA
Ingress protection:	IP20
Operating temperature:	0..+80°C
Storage temperature:	-20..75°C

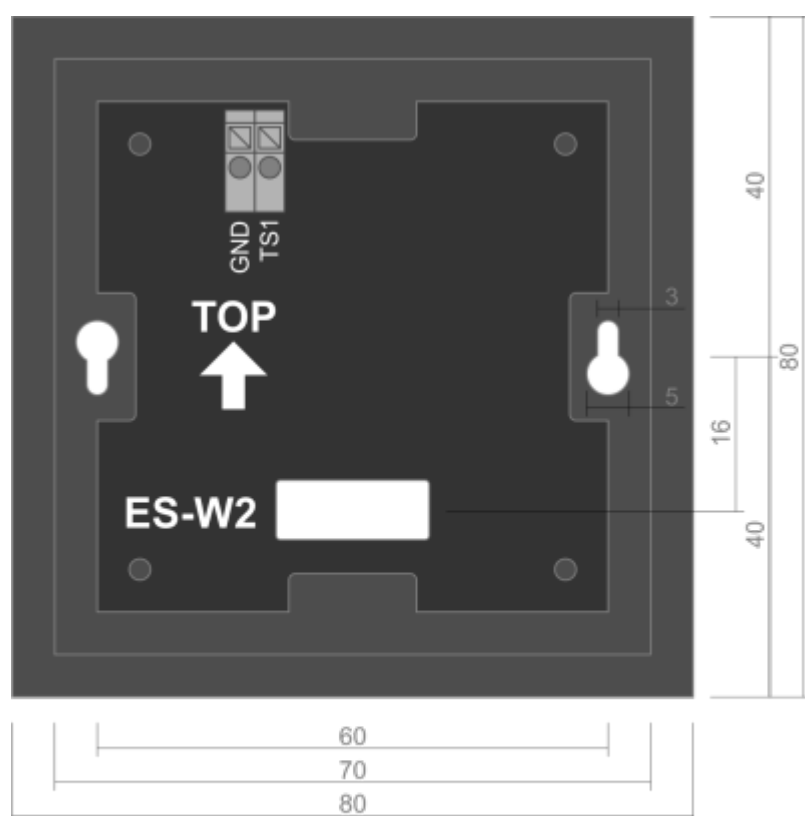

1.2. Terminals

DS18B20 wiring diagram

1.3. Dimensions, mounting

Mounts on the wall or any flat surface.
Can be mounted above standard Ø60 dose.
Secured with a two 3.5mm screws.
