

BM-C-A1

BTMS Master controller

Order code:	BM-C-A1
Mounting:	DIN rail,
Dimensions:	106×108×58 mm

Highlights & Features

- Communication with temperature and humidity sensors
- Additional digital inputs for connecting various sensors (leakage, gas,...)
- Additional digital outputs for disconnecting strings with an error or for alarming
- Supports up to:
 - 32 strings (BM-SS)
 - 4 Digital IO modules (BM-LC) with 8 DI and 8 DO each

Technical specification

Wiring
